# SENIORS

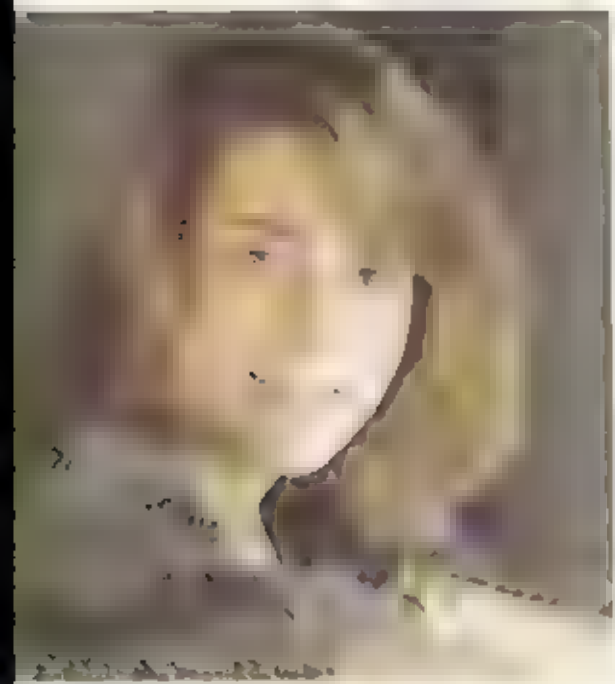

The 1985-86 school year consisted of much time devoted to the studies of history, arts and literature, and the dealings with science and nature. Yet the students and faculty at St. Peter's also found time to relax and enjoy the sports and leisure time available. Much of the student activity was centered around entertainment provided throughout the year. As we, the senior class, step forward into the future, our pursuit of our goals, successes and triumphs are not far out of reach. But we will always remember our alma mater, St. Peter's, as we have captured the spirit of our class and our school through the pages of the 1985-86 Petrarchan.

To live is to grow, to grow is to change  
and to be perfect is to have changed many times.  
John Henry Cardinal Newman

My dear members of the Class of 1986,

What an exceptionable year this has been here at St. Peter's -- your last year and my first year. Commencement 1986 is a very special event in your young lives. I hope it is for you the beginning of lives full of promise, lives open to the promptings of the Holy Spirit, lives seeking the growth, change and perfection which Cardinal Newman speaks of.

You are my first graduating class at St. Peter's. I came among you as a stranger in August of 1985 and you welcomed me in your own inimitable way. In the short year that we spent together, I came to appreciate you, respect you, and even, believe it or not, love you.

I am certain that the sound education and moral formation you have been exposed to here at St. Peter's will serve you well in whatever lies ahead in your future. Remember that you take with you all that is good and meaningful from St. Peter's. St. Peter's will be forever a part of your lives and you will forever be a part of St. Peter's.

I wish each and every one of you a life full of happiness, holiness, health, and love. God bless you all and make you saints.

Very truly yours,

  
Gregory J. O'Connor  
Principal
